PRODUCT DESCRIPTION

Hair deserves its well-being moment too. Help your clients start every day in the best possible way with the perfect moment of self-care. Wellbeing is a whole-body thing, daily rituals with your hair make you feel good. The Fingerbrush makes the difference. No pain - no break: it completely changes the game!

This famous brush detangles with ease and works well with all ages and hair types so lots of customers will be interested. It's perfect for helping your customers get the shiny healthy hair they want as it spreads the scalp's natural oils through the hair.

It will help you to detangle, take care of your hair, or create the perfect final touch to a natural wavy style.

Tips:

Your clients will love them too at home. Don't hesitate to increase your turnover by selling them directly in your salon. Your clients want beautiful hair and want to take care of it easily. Fingerbrush is the perfect choice for them.

Test the Fingerbrush on your client - they will buy it instantly.
